First Assembly of God, Worcester MA

9:00am-4:30pm

ABOUT THE NEW ENGLAND CITY FORUM

Diverse leadership teams from key New England cities will gather for a one-day forum prior to Vision New England's Go Conference in Worcester, MA. Our objective is to discover what God is doing in our cities, to learn from one another, and to discern how we can best cooperate with God's work in the city we serve. Lunch is included.

PROGRAM ELEMENTS INCLUDE

- Presentations from four cities, including how God is at work, challenges and opportunities, key learnings
- Emphasis on (and plenty of time for) dialogue with your city team
- Developing inter-city and intra-city relationships
- The program this year includes an optional field trip from 5-8pm to see first-hand the work of the church in Worcester. This includes dinner together (bring money for dinner).

WHO SHOULD COME TO THE FORUM

This forum is designed for participation of diverse teams of 8 - 10 leaders from New England cities. You will sit with your city team, hear presentations from other cities, and process what you hear with your team. Experience from similar forums nationally shows that each city has a unique perspective and approach, but also that we have a lot in common and a lot to learn from each other. The forum will emphasize mutual learning and application to your city. Don't miss this unique opportunity to stretch leaders in your city.
